W. R. C. CONVENTION

Annual Convention of Woman's Relief Corps of the Second District, Department of Ohio—State Officers Present Express Appreciation—District Officers Elected.

About two hundred women members of the Woman's Relief Corps of the Second District, Department of Ohio, gathered in Wauseon last Tuesday for their annual District Convention. Wauseon Corps No. 20, W. R. C. having the honor of entertaining the convention. The ladies of the Christian church furnished dinner and supper for the delegates to the convention and the sessions were held in G. A. R. Hall which had been beautifully decorated in the national colors and with flowers. The business houses of the city displayed the national flag and decorated with red white and blue bunting in honor of the visitors who were gathered here.

The Second District W. R. C. of Ohio comprises the local Corps in Fulton, Williams, Henry and parts of Deshler counties and the attendance of delegates from out of town was very good indeed the corps of the district being well represented. The State officers present were Mrs. Anna McCoy, president, Department of Ohio, W. R. C. and Mrs. Eva Dumbauld State instituting and installing officer; these officers were entertained at the home of Mr. and Mrs. J. F. Outcalt. The Wauseon convention was the fourteenth they have attended since October twentieth and they have three more conventions scheduled for the present week, going from Wauseon to Van Wert, the place for their next convention.

The business of the convention which was attended to at the forenoon and afternoon sessions held Tuesday, consisted in the regular routine of reports from the various corps of the district, exemplification and instruction in the ritualistic work of the order, the election of officers and the selection of a delegate and alternate from the district to the next Annual Encampment which will be held at the time of the National G. A. R. Encampment.

Mrs. Frances Funk of Wauseon was elected District President, Mrs. Emma Moats of Sherwood, vice president and Miss May Peppard of West Unity press correspondent. Mrs. Whitehouse of Delta was chosen as delegate to the National Encampment and Mrs. Ella Shadle of Wauseon as alternate.

Mrs. Funk presented Mrs. Sarah Haver of Sherwood as district president. Tuesday evening's session was devoted to a social session of Camp fire to which the comrades and associates of the corps were invited. Mrs. Funk presided and a very enjoyable program consisting of music vocal and instrumental recitations and short impromptu talks was given. Mrs. Dumbauld, State officer, gave a short talk in which she expressed her appreciation of the hospitality and patriotism of the people of Wauseon. Mrs. Dumbauld said that Wauseon was the first town in which a convention had been held by the State officers this Fall where the business men had shown their patriotism by decorating their places of business. Master Schnorr was recalled again and again to give recitations of which he seemed to have an extensive repertoire, and all of them were thoroughly appreciated. Mrs. Wright was also in demand and her readings as usual aroused a desire for more from the same source.

SALARIES AND FEES

Salaries Paid to County Officials in Fulton and Fees Earned By Them Turned Back Into the County Treasury.

There seems to be some misunderstanding in regard to salaries and fees of county officials. Some who read the Auditor's Annual report of the county's receipts and expenditures for 1915 published in this paper week before last gained the impression that the county officials received the fees that are tabulated in the report as allowed to them in addition to their salaries.

As a matter of fact these fees are paid into the county treasury by the officials who have earned them and they receive only their stated salaries for the services they render.

When the law was enacted that changed the compensation of the county officers from the fees earned in their respective offices to a stated salary, no provision was made to abolish the fee system, consequently in order to conduct the business of the county according to law the officials must charge the fees to the county and these fee bills must be passed by the Board of Commissioners the same as other bills against the county; when they have been allowed the official who has presented the bill secures a "pay in" check from the Auditor for the amount which he deposits with the County Treasurer who credits the amount to the Fee fund. The officials salaries are paid directly to them by the County Treasurer on an order from the Auditor.

According to the Auditor's Report for the year ending August 31st, 1915 the salaries and the fees earned by the officials of Fulton county is as follows:

| Office | Salary | Fees Earned |
|-----------------|------------|-------------|
| Auditor | \$2020.00 | \$4,887.69 |
| Treasurer | 2020.00 | 4515.60 |
| Probate Judge | 2019.96 | 2463.30 |
| Clerk of Courts | 1755.00 | 2811.96 |
| Sheriff | 1468.84 | 1582.77 |
| Recorder | 1299.96 | 1929.10 |
| Totals | \$10583.76 | \$18189.32 |

Excess fees earned over salaries paid \$7605.56.

The amounts paid for deputies and clerks here in the above offices was as follows:

| Office | Deputy | Clerks |
|-----------------|----------|----------|
| Auditor | \$420.00 | \$983.81 |
| Treasurer | \$420.00 | \$983.81 |
| Probate Judge | \$420.00 | \$983.81 |
| Clerk of Courts | \$420.00 | \$983.81 |
| Sheriff | \$420.00 | \$983.81 |
| Recorder | \$420.00 | \$983.81 |

Total \$4987.81, leaving a balance in the fee fund to the credit of the county after paying all salaries of \$2617.76.

CORN CONTEST

Reports of Contestants in the Fulton County Fair Board, Boys Corn Growing Contest—Four Boys and What They Grew on Four Acres.

In town or county the people of Fulton county are interested in the efforts of the boys on the farms to raise two blades grow where but one grew before and to make the soil yield twice or thrice as much as their fathers have made it yield.

The Fulton County Fair Directors this year offered to give a cash prize of \$25.00 to the boy who should grow the most corn on one acre of ground, and four boys, Dwight S. Bruner of York township, Carl Trudel of Dover township, Carl Gasco of Clinton township and Riley S. Sipe of Ambos township formally entered the contest which was conducted under the rules laid down by the Ohio Agricultural Commission. Judges appointed by the county commissioners inspected the ground and the weighing of the corn making affidavit to the results sent in by the boys.

The figures taken from these reports which we print herewith were rather hastily copied and we are not in position to guarantee the accuracy of them. If errors appear we shall be glad to rectify them by publishing an official statement from the Secretary of the Fair Board next week.

FOLK-KRAUSS.

A very pretty but quiet wedding occurred at 2:30 Sunday afternoon at the home of Mr. and Mrs. S. E. Folk on East High street, when their only child, Miss Faye Estelle, was united in marriage to Mr. Harmon A. Krauss of West Unity. The Rev. Dr. Deaton of the Methodist church, the bride's pastor, officiated, using the ring ceremony; only the immediate relatives being present.

White Chrysanthemums combined with ferns made a simple but most tasteful arrangement in decorations. The bride, never more beautiful, wore a handsome traveling gown; for the happy pair left on the fast train for Detroit on a short bridal trip after which they will take up their residence in West Unity, where Mr. Krauss conducts a meat market and grocery.

They will be ready by December first to receive their friends who unite in all kinds of good wishes—Bryan Deaton.

The many Wauseon friends of Mr. Krauss join in extending congratulations to him and his bride.

BOOSTER'S MEETING

Regular Meeting of Wauseon Boosters Club Monday Evening—Many Items For Attention of Members—Interest and Enthusiasm Growing—Extension Fire Brigade Proposed.

There was an enthusiastic attendance of members present at the regular monthly meeting of the Wauseon Boosters Club last Monday night and so many things of interest to the Club and the community came up in the meeting that it was thought best to call a special meeting for next Monday evening. Vice President, Clyde Wager presided at the meeting.

The committee of twelve on Agricultural Improvement Organization reported progress in their arrangements for the banquet to be given Friday evening by the Club in the interests of this movement. Several communications were read by the secretary and action taken on them by the Club. H. H. Williams Jr. proposed that in the interests of the larger Wauseon a volunteer fire brigade should be formed from members of the Club who would volunteer to be ready to go at call to fires outside of town; he mentioned several recent fires within a few miles of town where extra help was badly needed but was not available; his idea was to have a brigade of men with some head who might be called in case of fire by residents in the country and who would gather up the men in autos and take them to the place where they were needed; the proposition was enthusiastically received by the club and a committee was appointed to work out the details of the plan and perfect a Wauseon Auto Fire Brigade.

Superintendent Alstetter suggested the working out of a community Halloween which should preserve all the traditional amusement and enjoyable social-time without any of the objectionable features such as destruction of property and injury to person, the suggestion was favorably received and will doubtless be worked out. The club is finding out that many things can be accomplished through co-operation and that this working together as well as playing together makes life more enjoyable as well as more successful. Every man in the town whatever his position should be a member of this club and every man within seven miles and a half of Wauseon should be a member; all working together can make this community ideal for residence and business purposes. We want to make our community and our county the best, for as on earth. The membership enrollment of the club up to last Monday night was 89; come out to the special meeting at T. & I. Hall next Monday evening at 7:30. If you are not yet a member bring along one dollar and get your membership card for one year. Your help is needed and wanted.

Beware of Cheap Substitutes. In these days of keen competition it is important that the public should see that they get Chamberlain's Cough Remedy and not take substitutes sold for the sake of extra profit. LIBERAL RESPONSE

Tag Day and Rummage Sale Increase Relief Fund of Civic Club \$183.08—Energetic Work of Camp Fire Girls and Boy Scouts Met by Liberal Gifts of Citizens.

Saturday was a busy day and profitable day for the Civic Club and the result of the day's activities is that the treasury of the Club is again ready to meet the emergencies of need that may arise in our common darkness of the coming winter. The patronage of the Rummage Sale gave evidence of its utility as a means of placing discarded garments in the hands of those who can make good use of them, thus transforming them from uselessness and waste to use; old and discarded garments in closet or attic do not amount to much in the way of practical value, but in the hands of people who need them for protection or comfort they do have a real and practical value. Mrs. Alanzo Marks and Mrs. W. W. Tonville were in charge of the Rummage Sale which was held in the Council Chamber at the City Hall; they were ably assisted by other ladies, members of the Club and all were kept busy from early Saturday morning until nine o'clock Saturday night. The total receipts of the sale were \$70.65 and the ladies, especially Mrs. Marks, who worked all Friday afternoon receiving and arranging the goods, were tired and happy when it was over.

Mrs. Kernahan and Mrs. Roll Hoy were the committee in charge of the Tag Day and they enlisted their small army of solicitors from the Camp Fire Girls and the Boy Scouts. The Camp Fire Girls, who were assigned to duty on Fulton street were Margaret Howard, Olive Schlatter, Esther Ruppert, May Miley, Fern Disbrow, Rosella Crew, Gertrude Barber, Florence Richardson, Pauline Allison, Christine Outcalt, Katherine Sharp, Audrey Reed, Arline Ives, Anna Hodges, Louise Hancock, Alice Knight, Marveta Jordan, Grace Gould, Dorothy Waldron. These girls brought in a total of \$88.85 and too much cannot be said of their splendid and efficient work which was so cheerfully and freely given.

The Scouts, and they were all "good Scouts", were assigned the duty of canvassing the residence districts of the town and there was no house missed in the canvass. The boys who did this work were: Walter Spurgeon, Arlie Pierce, Howard Furney, John Outcalt, Dallas Williams, Lowell Porter, Ernest Baer, Donald Grier, Clair Chamberlain, Harold Trimble. The boys were just as willing and just as cheerful workers as the girls, their total collections were \$23.83. Aside from the actual relief that will be accomplished with the money collected in Wauseon last Saturday, the day stands out as a testimony of the spirit of unselfishness, good will, and co-operation which pervades our community. Thought for those who need or suffer, and old and young working together to supply the needs and relieve the suffering.

We, as citizens, have reason to be proud of our community and to think well of each other.

Distress in the Stomach. There are many people who have a distress in the stomach after meals. It is due to indigestion and easily remedied by taking one of Chamberlain's Tablets after meals. Mrs. Henry Padgham, Victor, N. Y., writes: "For some time I was troubled with headache and distress in my stomach after eating. About six months ago I began taking Chamberlain's Tablets. They regulated the action of my bowels and the headache and other annoyances ceased in a short time." For sale by all dealers.

THE FASHIONABLE FOX FURS. In this issue of The Tribune Mrs. Julia Bottomley, our fashion editor gives a very interesting talk on the beautiful Fox Furs, which are so popular this fall. She also describes two sorts of Crepe Blouses. We would suggest that all of our feminine readers pay particular attention to this department this week.

THE NEW MOTHER GOOSE. There was a man in our town. He made a lot of money, and he used to advertise. He used to say: "I guess my work is done. He boasted my home town."
